

Challenge Writeup

Title: Scriptie Boi - 2

Category: OSINT

Author: Sachin

Description:

That VN hacker from SB-1 still has our flags. He said that he has kept in His resume on a job platform site, could you find it ?

Points: 250

Walkthrough:

1. Finding his profile in linkedin by using previous twitter data
2. Checking out his linkedin profile.
3. He has been certified by VN so we check the certificate.
4. We get a flag inside the certificate.

About

"What hackers do is figure out technology and experiment with it in ways many people never imagined. They also have a strong desire to share this information with others and to explain it to people whose only qualification may be the desire to learn."
